Welcome

Situated in a national park area, Domaine du Mont Leuze is a luxurious private mansion with a tender touch of Provence. The Domaine overlooks spectacular Villefranche sur Mer and St. Jean Cap Ferrat and boasts one of the most overwhelmingly breath-taking views in the entire Cote d'Azur area.

There are two swimming pools and a massive luscious garden, perfect for cocktails, wedding ceremonies, conferences and dance parties of any size. Two interior ball rooms provide for a perfect winter wedding reception or main conference hall. They can also be transformed into a lounge or disco area. The Domaine offers three beautiful terraces for different parts of your event.

Domaine du Mont Leuze is just minutes away from the charming medieval town Eze, which historically dates back to the XIV century. Here you will find narrow pebble streets, sweet souvenir shops and numerous great cafes and restaurants for every palette. This is an amazing place for you and your guests to enjoy in between your main events.

Eze also boasts one of the best 5-stars hotels on the French Riviera– Le Château de la Chèvre d'Or. Please contact us to enquire about any aspect of your wedding in Cote d'Azur. If you wish to organize your special day or event in Domaine du Mont Leuze, we can arrange a visit for you to check the availability for your desired dates and negotiate the best rates for your event.
